

September 7, 2007

You helped make the 2007 Clinical Lab Expo the largest clinical diagnostics event in the world!

The Clinical Lab Expo in San Diego attracted more lab directors, more managers, more administrators, more supervisors, more researchers, and more product development specialists than at any other lab show, anywhere in the world, in 2007. You were part of that success and we thank you for your support and participation throughout the year.

Total Registration:	19,877
Scientific Registration:	11,274
Exhibitor Registration:	8,603

We broke all exhibit hall records—the exhibit program included 679 exhibiting organizations, occupying an all-time high of 1,885 booths—making the 2007 exposition the largest and most successful in Clinical Lab Expo history.

International Registration:	4,345
Countries Represented:	90

(both counts include exhibitors)

The 2008 Expo will be July 29-31 in Washington, DC (our first return to DC since 1991). By now, you should have received your copy of the 2008 Preliminary Exhibit Prospectus. It contains dates, rates, a floorplan and contract so that you can jumpstart your plans for next year. If you have not yet received the 2008 Preliminary Prospectus, please let us know and we will rush a copy to you.

If you have any other questions or comments, please do not hesitate to contact Tony Maiorino, extension 22, or Jackie Diaz, extension 21, at 201/653-4777. You can also reach them via e-mail at tonym@schergo.com or jackied@schergo.com.

Thanks again for another great year!
