Freight Target Move-In Schedule for Deliveries Made Directly to the Center
This schedule refers to the time your freight carrier has been assigned to check in at the marshalling yard to be placed in line for unloading. This schedule is for the move-in of your exhibit and display equipment. You are not required to begin setting your display at this time. If you cannot adhere to your assigned target date & wish to request a change, please contact pete.belasco@freemanco.com

Please refer to <http://www.myfreemanonline.com/ShowMain.jsp?show=072194> or www.scherago.com/cle to view and enlarge the size of the targeted move-in plan.
