

Order the Advance registration Mail List By June 1 and Save!

Approximately 4,000 of the AACC conference and exhibits-only attendees will be registered by June 21st. The mail list includes “Conference” and Expo Only” registrants and will include individuals from IVD companies, consultants and others along with registrants from clinical labs who are registered in those categories. No one registered as an “Exhibitor” is included. This is a mail list only—no phone, fax, or email addresses are included. This list is available only to contracted 2010 exhibitors. Here are the details:

** We expect very strong attendance at the Annual Meeting and Clinical lab Expo. However, more and more registrants are “opting out” of receiving mailings – that is why the advance registration list is smaller than in previous years..*
